

Method #1 of getting **from Incheon International Airport** to Yonsei University Engineering Building No. 1(4). #note that Engineering Building 1 is connected to 4

### [Airport limousine bus (most recommended)]

- Pro: Short travel time, quiet, spacious, comfortable seats.
- Con: A bit more expensive than the subway.
- Fare: KRW 10,000 (about \$9 USD).
- Bus interval: 20–30 minutes.
- Travel time: About 55 minutes to Yonsei University.
- How to:
  1. Buy a bus ticket at one of the Bus Ticketing Offices located in Incheon International Airport:
  2. Go to bus stop 5B (@ Terminal 1) or 29~35 (@ Terminal 2) of Incheon International Airport depending on your arrival terminal.
  3. Get on a bus with number 6011.
  4. Get off Yonsei University.
  5. Here is the public transport website:  
[https://www.airport.kr/ap\\_cnt/en/tpt/pblctpt/pblctpt.do](https://www.airport.kr/ap_cnt/en/tpt/pblctpt/pblctpt.do)
- Bus route
  - Depart: Incheon International Airport Terminal T1
  - Stop #1: World Cup Stadium Entrance
  - Stop #2: Yeonhui 104 (Former) Seongsan Hall
  - Stop #3: Yonsei University (Get off here.)

The bus is equipped with audio announcement service in English & Japanese. You have to press a bell to signal to the bus driver that you will be getting off at the next stop.

Method #2 of getting from Incheon International Airport to Yonsei University Engineering Building No. 1(4). #note that Engineering Building 1 is connected to 4

## [Airport Express Train]

- Pro: Cheap, well air-conditioned, free from traffic jam and pollution.
- Con: A bit long travel time (1 hour). The seats in the subway are not exactly comfortable for long trip. You might have to travel standing if there are too many passengers in the subway (during rush hours).
- Fare: KRW 4,750 (about \$4 USD).
- Interval: 6–7 minutes.
- Travel time: about 1 hour.
- How to:

1. Using Automatic Ticket Machine or Travel Center, buy a single journey ticket.

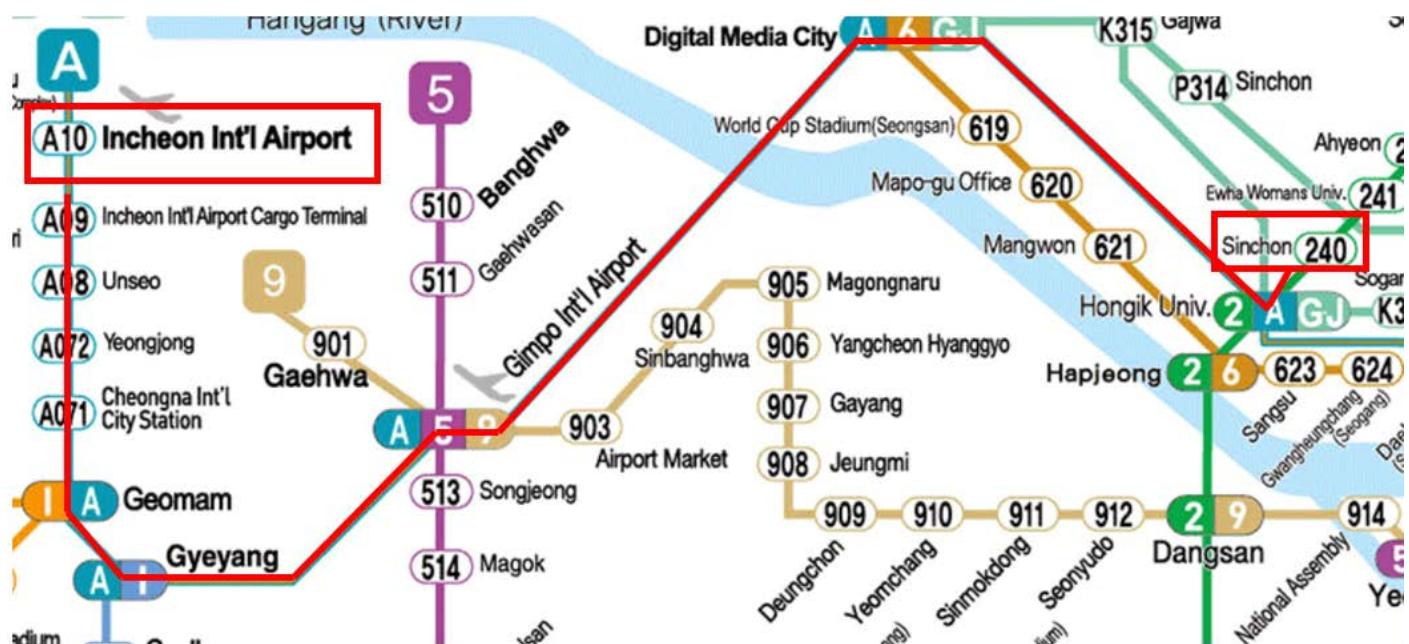

2. Get on the all stop train to Seoul Station (not Express Train).

3. Get off Sinchon station line #2 (240).

You should transfer from Hongik Univ. (Arex line) to Sinchon (Line #2).
